

## FRANKFORT ROUNDABOUT.

The Adventists have fixed the fourth of next month, as the day for the second coming of Christ. We have received a copy of "their last message to the House of Israel" announcing the fact.

### Editor Roundabout:

The time to elect a New Board of School Trustees is fast approaching and will soon be here. The people who are directly interested to the extent of having their children properly educated should consider the matter well between now and the election. It is clearly the opinion of the writer that if General D. W. Lindsey, Wm. H. Averill and Dr. U. V. Williams will allow their names to go before the people of Frankfort for School Trustees there will be found enough freemen in Frankfort (who are not disfranchised) to place them at the head of the Public School system of Frankfort by an overwhelming majority at the close of the polls the first Saturday in January. The above named gentlemen are well qualified in every particular, and are just the men to manage the educational interest of the town.

### IN MEMORIAM.

After an illness of many months duration, with consumption, Mrs. Gussie, wife of Mr. J. P. Sargent, jr., quietly passed away Dec. 12th, 1884, in the 26th year of her age.

Deceased was born and raised in this community, where she was highly appreciated for the many virtues that adorn the life of a true Christian. The influence she exerted over those by whom she was surrounded was characteristic of the true child of God, ever ready to alleviate the suffering of mankind whenever opportunity afforded. Her own afflictions were borne with patience. Not a murmur escaping her lips, frequently remarking "that the Lord doeth all things well." Willing to trust all into the hands of a loving Father.

Sad, sad indeed is the thought that we are no more to see her in this world, but the consoling fact comes to relieve the mind that her spirit is now in the enjoyment of eternal felicity at the right hand of God.

The funeral services were conducted by Rev. Geo. Darsie in a manner calculated to impress all present with the necessity of a genuine Christian life. To the bereaved husband and little children, brother and sisters, we commend the consolation afforded by the blessed Saviour.

### A Startling Discovery.

Mr. Wm. Johnson, of Huron, Dak., writes that his wife had been troubled with acute Bronchitis for many years, and that all remedies tried gave no permanent relief, until he procured a bottle of Dr. King's New Discovery for Consumption, Coughs, and Colds, which had a magical effect, and produced a permanent cure. It is guaranteed to cure all Diseases of Throat, Lungs, or Bronchial Tubes. Trial Bottles Free at Jos. LeCompte's Drug Store. Large Size \$1.00.

## CLEVELAND'S CABINET.

Probable Effects of the Change on Office Holders—Views of an Old-timer.

Correspondence Rochester Sunday Herald.

"Yes, the principal topic of conversation here at present is the probable action of the in-coming administration."

The speaker was Mr. William M. Ashley, of 506 Maine avenue, a man whose large and intimate acquaintance with prominent public men here in Washington, renders his opinion of unusual weight.

"The all important question among the clerks of the various departments is, who is to go. In my opinion there will be very few changes among the old-time employees who have been here year in and year out through several administrations. The removals will occur among the heads of departments."

"The sense of mistrust which must necessarily pervade the departments is, I suppose, detrimental to the proper transaction of business."

"Well, rather, I reckon. It unfits the clerks for business. Some get very blue, for they have purchased little homes which they must sacrifice."

"Last summer it was reported that many were ill of malaria. How is it?"

"More likely, ill of a change. I don't think Washington is so very malarious. At the same time I admit that since residing here, I have not always felt first-rate. At times I have been greatly troubled with sharp-shooting pains. One day my right arm and leg would torture me with pain, there would be great redness, heat and swelling of the parts, and perhaps the next day the left arm and leg would be similarly affected. Then again it would locate in some particular part of my body and produce a tenderness which would well drive me frantic. There would be weeks at a time that I would be afflicted with an intermittent kind of pain that would come on every afternoon and leave me comparatively free from suffering during the balance of the twenty-four hours."

"Of course you consulted the doctors regarding your difficulty?"

"Consulted them? Well, I should say I did. Some told me I had neuralgia; others that I had inflammatory rheumatism, for which there was no cure."

"But didn't they try to relieve your miseries?"

"Yes, they vomited and physiced me, blistered and bled me, plastered and oiled me, sweat, steamed and everything but froze me, but without avail."

"But how did you finally recover?"

"I had a friend living in Michigan, who had been afflicted in a similar way and had been cured. He wrote me regarding his recovery and advised me to try the remedy which cured him. I procured a bottle and commenced its use, taking a tablespoonful after each meal and at bed time. I had used it about a week when I noticed a decrease of the soreness of the joints and a general feeling of relief. I persevered in its use and finally got so I could move around without limping, when I told my friends that it was Warner's safe rheumatic cure that had put me on my feet."

"And do you regard your cure as permanent?"

"This was more than a year ago, the trouble has not returned and I haven't been so well in years as I am now."

"Speaking of President-elect Cleveland, who, in your opinion will comprise his cabinet?"

"That is as difficult to determine as it is to say what officeholders will go. Many good men have been named for the positions—Bayard, Thurman, Bragg, McClellan, not to mention a lot of lesser lights. Every prominent politician has a slate made up which he is backing to win, but then, as is always the case, some one will get left."

## An End to Bone Scraping.

Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c. per box by Jos. LeCompte.
